Plan to settle a refugee family from Syria in Derby

Following the presentation by Caritas Salford on 2nd July, the plan to join the Community Sponsorship programme has attracted enough support across deanery parishes to become a live project.

In addition to the initial support from Holy Family and St Mary's, we now have contacts in English Martyrs, St Albans, Holy Spirit and Ralph Sherwin. If you belong to one of these parishes and would like to know who your contact is, or if your parish is not yet involved and you would like to know more about the project, please contact Lis Martin either by phone (01332 552627) or by email (address below).

The group has begun to address the major initial issues: charitable status; links to other groups; Local Authority support; fundraising; In addition we are beginning to explore options for housing and school places, but this is in the early stages.

If you would like to be involved in any of these areas, or have expertise or contacts you could bring, please contact Lis Martin: email lisjmartin@aol.com

You can find out more about the programme in general from the RESET website: www.resetuk.org.

Research Request

If I may very briefly introduce myself; I am a member of the local community and a (very) mature, part-time PhD student undertaking an ethics and law degree at De Montfort University, Leicester, looking at the potential options at the very end-of-life for those terminally ill patients for whom (and I appreciate it will be a very small number of individuals) that pain and anxiety cannot be eased through traditional palliative care techniques.

My research aims to build upon the viewpoints of legal professionals in this area, palliative care specialists and also, critically, those in our society who have in the past, (which I must stress; previously not currently) cared for and lost loved ones, friends and family. It is in regard specifically to this final group that I would be very grateful if you would consider noting and raising the profile of my research with members of the Parish and St. Hugh's.

I can be contacted by anyone interested in taking part via this email address tom.smith@dmu.ac.uk or of assistance in looking to answer any questions that people may have, ahead of taking part, I will be holding informal (that is to say, not undertaking the research at this time) discussions for 30mins or so at; The Parish Hall, Church Street, Ockbrook DE72 3SL, at **6.30pm -7.00pm on Sunday 22nd July 2018. (Coffee from 6.15pm).**

Naturally, I am available at your own convenience should you wish to ask anything of my research, however for the avoidance of doubt, this research is not being funded by any external party, group or company; my research fees are being paid for by De Montfort University; University ethical approval has been secured for this research.

Thank you in advance if you are able to consider my request to assist in the communication of the opportunity for local residents to participate in my research. Tom Smith
