Pope Francis' Exultation Rejoice & Be Glad
Chapter 4 – Signs of Holiness in Today's World

Read "Are there moments when you place yourself quietly in the Lord's presence, when you calmly spend time with him, when you bask in his gaze? Do you let his fire inflame your heart? Unless you let him warm you more and more with his love and tenderness, you will not catch fire. How will you then be able to set the hearts of others on fire by your words and witness? If, gazing on the face of Christ, you feel unable to let yourself be healed and transformed, then enter into the Lord's heart, into his wounds, for that is the abode of divine mercy." (151)

Reflect: When in your day do you find quiet time? How might you find "more quiet" to spend with in prayer with Jesus who is Holiness?
