Derby CaReS Update

We're really excited to finally be able to tell you that we have been allocated a family! We can only give you minimal details in order to protect their privacy, but it is a family of 3, a mother and 2 school age children originally from the Darfur region of Sudan but have been refugees in Egypt for several years. We are greatly looking forward to being able to offer them a home where they will find some level of permanence and safety. We don't yet have an arrival date, but we will be contacting face to face volunteers when we do. If you would like to receive further updates contact lisjmartin@aol.com
