Alpha & Discovering our Faith

Courses due to start and we need volunteer's to help run them.

We also are asking for your help to promote theses course.

The Alpha course is an evangelistic course which seeks to introduce the basics of the Christian faith through a series of talks and discussions. It is described by its organisers as "an opportunity to explore the meaning of life".

Discovering of Faith is a follow on from Alpha, it 's more in depth into the Catholic Faith.

Both courses can be used as refreshers. Also if you haven't ever joined us on these courses you would be more than welcome, you most definitely will not regret it.
