A reflection from Pope Francis for the Year of Prayer, Sixth Sunday of the Year: The Psalms do not always use refined and genteel language, and that they often bear the scars of existence. And yet, all these prayers were first used in the Temple of Jerusalem and then in the synagogues; even the most intimate and personal ones. "The Psalms' many forms of prayer take shape both in the liturgy of the Temple and in the human heart" (Catechism 2588). And thus, personal prayer draws from and is nourished first by the prayer of the people of Israel, then by the prayer of the Church.
