Share your opinions with us! In preparation for our 175 th anniversary in 2025, we are developing a strategy to enable our parishes, schools, and chaplaincies to be better supported in their mission. As announced a few months ago, as a first step, we are conducting a consultative phase to develop the most effective plan. Gathering a cross representation of opinions , via an e-survey, this process is designed to gauge reaction to our spiritual themes, funding priorities, assess our ability to raise additional funds and consider key fundraising aspects. We value your feedback as we carry out this important piece of work, and ask that you please take a moment to read an overview of our plans before responding to this short survey. Visit www.dioceseofnottingham.uk/news/survey to view the overview and complete the survey.
