A reflection from Pope Francis for the Year of Prayer, Second Sunday of Easter: Prayer is the rudder that guides Jesus' course. The stages of his mission were not dictated by success, nor by consensus, or the seductive phrase "everyone is searching for you". Jesus' path was charted by the least comfortable one, which obeyed the Father's inspiration, which Jesus heard and welcomed in his solitary prayer. From Jesus' example we can derive some characteristics of Christian prayer. First and foremost, it possesses primacy: it is the first desire of the day, something that is practised at dawn, before the world awakens. It restores a soul to what otherwise would be without breath. To read the full reflection and find more resources at dioceseofnottingham.uk/yearofprayer

Inter Care, a Leicestershire-based charity of which Bishop Patrick is Patron, is celebrating 50 years of providing medical aid for Africa. The Inter Care team has created a short film highlighting their journey, the expansion of their work over the years, and how they have successfully donated £8.7 million worth of aid since 1974, sending medicines for up to 76,400 patient treatments last year alone. To see the film, follow this link: <https://www.youtube.com/watch?v=0Fj1-gf-bMQ> and consider whether you can support Inter Care with your prayers, and in practical and financial ways.
