

SPONSOR A WINDOW FOR ST HUGH'S CHURCH

THE PROBLEM

Sadly it's no longer economical to continue to repair our Church windows so we're now looking to replace them to match the other UPVC Windows in the Hall - rose wood outside & white inside, oak leaf glass at the bottom & clear on the top to match the existing style or just oak leaf for the four fixed windows.

THE OPPORTUNITY

We're looking for 15 families, or groups of friends, to sponsor a window. Sponsoring a window will cost £333 and you might like to phone around your family & friends to ask them to contribute a few pounds to your target. I've only mentioned this to a few people & three have already been taken so you need to be quick and contact me as soon as you can.

A BRASS PLAQUE

A Brass Memorial Plaque will be attached to your window (10cm long x 2cm high) with a max. of 3 x lines of 30 characters per line. For example:

Thank you for your support,

Fr David
