

ST HUGH'S

DECORATION

DEDICATE A CHURCH PEW

APPEAL 2021

WHERE WE'RE UP TO SO FAR

Our refurbishment project began in 2017-18 with the hall porch & toilets refurbishment and access ramp. In 2019 our hall was decorated and the kitchen was refurbished. In 2020-21 the hall meeting room was decorated and new windows were put in the church. We now come to the final part of this plan for 2021 with the much-needed decoration of the church to include the repair of the damp & soot damaged walls, re-painting, new ceiling tiles, lighting and internal doors. This is earlier than planned to seize the opportunity whilst the church is not in use during the Lockdown.

THE FINAL STAGE OF THE PLAN

After the kind support shown in our 'Sponsor a Window Appeal' we are also seeking individuals, families, groups of friends or organisations to dedicate a church pew to fund this final stage. The dedication will cost £333 and you might like to do a phone around and ask people to chip in? Those who missed out on a window have had first refusal but there are still plenty of benches available. You can choose your bench location and if more than one requests the same bench, we'll draw names out of a hat.

A BRASS MEMORIAL PLAQUE

A Brass Memorial Plaque will be attached to the bench you dedicate (10cm long by 2cm high) with a max. of 3 x lines of 30 characters per line as the example on the right.

Thank you for your continued support,

Fr David
