Some of these would be useful for those who have a ministry with children or adults, covering child and adult safeguarding. One in particular, dealing with Child Exploitation and Online Safety, would be useful for any family with teenage children. To access these, you simply need to send an email to educare@familycare-nottingham.org.uk and you will receive a link to register for any of the modules you wish to access. Each module takes one hour to complete. If you need further information please speak to your parish safeguarding representative; Margaret Burns for St Hugh's and Sue Brown at St Alban's.
